Vol. LIII

No. 3

JULY, 1953

Stetson University Bulletin is published quarterly in Science Hall, Woodland Boulevard and Minnesota Avenue, DeLand, Florida. Entered as second class matter at the Post Office at DeLand, Florida, under the Act of August 24, 1912.

FOREWORD

Welcome to Stetson University! You are now a part of a University founded on Christian ideals and dedicated to the task of aiding its students in achieving full realization of their capacities and full awareness of their obligations.

The Handbook is dedicated to you new students. It is hoped that it will help you understand our campus life, but most of all that it will help you grasp the spirit which is an intrinsic part of Stetson.

As you, along with 1,500 other students, begin searching for classrooms, many puzzling questions will arise. The Handbook is designed for the very purpose of answering these questions. Throughout, you will find essential information presented from the student's viewpoint aimed at answering the questions which are in the mind of every new student. Let this Handbook be your guide throughout the year.

I wish to express my sincere appreciation to Dr. M. C. Park, faculty advisor of the Handbook, for her help, advice, and cooperation. I would also like to thank Mr. Blan Taylor for his able assistance in compiling the Handbook and Dodi Costine for her contribution of the art work. I appreciate the help of all the administrative officers, faculty members and students who cooperated to the full extent in putting the Handbook together.

On behalf of Stetson University, I take a great deal of pleasure in wishing you, the Class of 1957, a most successful college career.

INTRODUCING STETSON

THE CAMPUS

The principal campus of Stetson University comprises forty-three acres within easy walking distance of the center of DeLand. Some twenty-four buildings house its varied activities. Administrative offices are in Elizabeth Hall, which is the largest classroom building and contains the principal auditorium. The physical sciences are housed in Flagler Science Hall, the School of Music in DeLand Hall and annex, dramatic activities in the Stover Little Theatre, and the art department in Holmes Hall. The School of Business has its own building. Allen Hall, dedicated in 1950 as the student religious center, provides facilities for recreation, worship, and conference, as well as offices for all student religious workers. The

Monroe Heath Museum, in Science Hall, exhibits examples of Florida plant and animal life together with certain arts and crafts of North American Indians. The William E. Holler Memorial Fountain, with its display of colored light, beautifies the quadrangle between Elizabeth Hall, the Library, and Holmes Hall. There are gymnasiums for men and for women, several playing fields, dormitories, and refreshment and recreational facilities. Food service is provided at the University Commons under the direction of a trained dietitian. A second campus of seventy-five acres is located at the former DeLand Naval Air Station, three miles from downtown; the College of Law and the Reserve Officers Training Corps are located there.

HISTORY

Stetson was founded in 1883, became a college in 1885, and a university in 1887. Known first as DeLand Academy, after the principal founder of the town, Henry A. DeLand, its name was changed to Stetson University in 1889 in honor of the well-known hat manufacturer who gave generously of his time and means. From 1898 to 1910, Stetson was affiliated with the University of Chicago in a unique student exchange plan. The College of Law, organized in 1900, was admitted to membership in the Association of American Law Schools in 1931. The next year the University was accredited by the Southern Association of Colleges and Secondary Schools. Its School of Music became a member of the National Association of Schools of Music in 1936. The School of Business was organized in 1940. Popularly known as Stetson University, the legal name of the corporation is John B. Stetson University.

FOR ALL FRESHMEN

Purpose of Freshman Rules: To create among students an enthusiastic school spirit and the loyalty that will last not only through four years of University life, but will carry over into life after college, and make for a better alumni group. All freshmen of Stetson University are expected to comply with these rules at all times with the exceptions as stated by the committee on freshman rules.

IMPORTANT: Upperclassmen must refrain from requesting any act which will offend the sense of pride or honor of any freshman.

1. Learn University traditions, customs, and procedures.
2. Make acquaintance with your classmates and others as soon as possible. Stetson is a friendly school. Everyone speaks to everybody.
3. Take an active interest in all student elections.
4. Keep off the grass!
5. Join only those extra-curricular activities in which you are really interested. They will be an important part of your campus life, but remember that "majoring" in extra-curricular activities means neglecting important studies.
6. Freshmen caps will be worn at all times except on Sundays, when in attendance at formal affairs, in classes, or chapel.
7. All school songs appearing in the Handbook are to be memorized during Freshman Week and are to be recited to upperclassmen on request.
8. All freshmen are required to attend all student assemblies.
9. If called upon by upperclassmen to perform duties of a constructive nature, freshmen are expected to

respond promptly and willingly.

10. On a date set by the Freshman Rules Committee, contests will be held between the freshmen and an equal number of upperclassmen. If the freshmen are victorious, they may discard their caps; if the upperclassmen win, the freshmen must wear their caps until further notice by the Freshman Rules Committee.
11. Freshmen must carry Student Handbooks with them constantly during the first semester.
12. These rules will be carried out to the fullest extent with members of the Stetson "S" Club enforcing them.

ORIENTATION PROGRAM

The purpose of the Orientation Program is to help new students get acquainted with the University and become adjusted to college life as quickly and as easily as possible. The first part of the Program, the Orientation Week, will be held from Monday, September 21, to Saturday, September 26. Attendance at all functions in the Orientation week is required. New students (freshmen and transfers) should arrive at the University on Sunday, September 20. The dormitories will be open at 8:00 a.m. and will close at 10:30 p.m. on that day. The following offices will be open on that afternoon from 2:00 to 5:00 p.m.: the Business Office, Guidance Office, Registrar's Office, Student Deans' Offices, and the Admissions Office. Both faculty and student advisers will be available for assistance during Orientation Week.

FACULTY ADVISORY SYSTEM

Each student at Stetson has a faculty adviser, a member of the faculty who has been chosen to assist him in making sound decisions regarding his academic program, his vocational choice and other personal plans. In most instances, the adviser is a professor of the academic field in which the student wishes to specialize.

An entering student has many opportunities to become acquainted with his adviser during his first few weeks in college through participation in the Orientation Program. He learns more about his own interests, aptitudes and abilities by means of tests and personal conferences. He learns about academic requirements and vocational opportunities from reading and from further conferences. He continues to find his adviser helpful at the upperclass level. The adviser assists him in making out his academic program each term, gives helpful suggestions when he has difficulty in certain courses and serves as an interested friend when the need arises.

The advisory system is coordinated by the Guidance Office, which endeavors to make adviser assignments which are mutually satisfactory to both students and advisers. This office also has facilities for psychological testing, remedial work in reading and studying, and personal counseling. The Dean of Men, Dean of Women and other administrative officers give assistance to students which is supplementary to the advisory system.

STUDENT ADVISORY SYSTEM

Each spring the Deans of Men and Women choose a group of students to become Freshman Advisers for the following fall season. These students are chosen, not for their high scholastic average nor for numerous extra-

curricular activities, but for their ability to represent all phases of college life, and still further, to help each new student to become a member of the Stetson family as quickly as possible. An adviser begins his contact with a freshman through correspondence during the summer and such associations prove profitable to both adviser and advisee. It is the particular duty and pleasure of each adviser to stand beside his advisee until the new student is well established in college life, has found his place in the group and has adjusted himself socially and mentally to campus life.

SOME HINTS ABOUT STUDYING

It is impossible to get an education without studying. It takes work on your part as well as on the part of your professors. Effective study habits will help you not only to get a better education in less time but also to enjoy the time you spend in studying. The following ideas have been helpful to many students:

1. Schedule a regular time to prepare for each course. Choose hours during which your mind is alert. This will save you time in the long run.

2. Make use of those "spare hours" during the day. If you budget your time well and stick to that plan, you will have much more time for "outside activities."

3. Study in a quiet place. Try the library. You'll be surprised how much faster you can get your studying done.

4. Don't read an assigned chapter straight through, as you would a mystery book. Remember these points:

- a. Preview your assignment. Scan through the chapter to discover the main points made, the chief

terms used and the general area covered. Don't read for details at this point.

b. **Read the chapter.** After you have an idea of what the chapter contains, read it thoroughly. Try to get a clear understanding of the main points that are made. The details may then be associated with something definite.

c. **Review the assignment.** Immediately after reading a chapter, close your book and try to recall the main outline of what you have read. Quiz yourself about the material covered.

5. Remember that the author of your text had a brief outline in mind as he wrote each chapter. You don't "know" the chapter until you have that outline clearly in mind.

6. **Think** while you are taking notes in class or outlining reading assignments. Try to re-state what your professor or your book has said in your own words to be sure you understand what is meant.

7. Your education is not measured by the number of pages of notes that you take in class or the length of your reading outlines. Omit trivial details. Make your notes brief and to the point.

8. Your professors are more than willing to help you develop proper study habits. Just give them a chance.

COOPERATIVE EDUCATION PROGRAM

The Cooperative Program is a work-study plan. Students who meet entrance requirements for this program attend the University and receive on-the-job training in alternate semesters; the job training is supervised employment in the student's chosen occupation. The course may be completed in a minimum of five and one-half years. A substantial part of the cost of the student's education may be earned in the periods of employment. At present co-op study is available only in the School of Business and the Department of Chemistry of the College of Liberal Arts.

Detailed information is available from the Director of Cooperative Education.

EMPLOYMENT

Do you need a part-time job? Employment by the University is available to a limited number of students. An average of C in academic work is required of those employed by the University. See the Business Manager for employment applications.

THE UNIVERSITY INFIRMARY

The infirmary service of the University, under the University physician and graduate nurses, provides for the care of all minor illnesses and the relief of acute conditions which do not require special nursing. Supplementary to the service afforded by the University infirmary, a student may at his own expense secure any physician he desires. The University requests that all illnesses be first reported to the University nurses.

Students confined to the infirmary will be charged for all meals served to them by the Commons except when the patient has a Commons meal ticket.

The infirmary sends a regular report of absences from class and chapel to the Dean of Women and the Dean of Men for students who are ill at the infirmary or at home. Excuses for class absences due to illness are issued at the infirmary. These cards must be initialled by the appropriate instructors and returned to the office of the Dean of Women and Dean of Men. Any student missing classes while ill at home should bring a signed statement to the infirmary. No student living on campus will be reported as absent from class due to illness, unless the infirmary has been notified before the class begins, or during the class hour. All dormitory girls must sign out while remaining in the infirmary overnight. The nurse will be responsible for signing out any girl remaining in the infirmary more than one night.

A University physician is on call at all times, and visits the infirmary every day at noon. Any student needing to see the physician should, if possible, contact the nurse prior to that time for an appointment.

LOST AND FOUND

The University Book Store is operating the campus Lost and Found Department. Any lost article may be claimed at the Book Store with proper identification.

PARKING

Use the student parking areas.

Beware of parking in the **No Parking** areas on East Minnesota Avenue. The police feel that college students should be able to read the restricting signs.

And if you want your mail on time, remember that the parking space directly east of the Soda Shop entrance is reserved for mail trucks only.

Every car operated by a student or faculty member must bear a university automobile stamp in order to procure parking space. This stamp is issued at registration time upon payment of a nominal fee.

POST OFFICE

The Post Office is located in the Soda Shop. All students should secure a Post Office Box as soon as possible.

The window is open Monday through Friday from 9:45 a.m. to 11:45 a.m. and 2:45 p.m. to 5:15 p.m. It is also open from 9:45 a.m. to 12:15 p.m. on Saturday.

SAMPSON LIBRARY

The library is a depository of knowledge, culture, and experience in printed form and serves as a general laboratory for the entire college community—students and faculty. It is the hope of the library staff that students will use the library for both study and recreational reading. Attention is called to the new Browsing Collection

which now numbers about 900 volumes and includes the latest and best light reading in fiction and non-fiction. The staff will gladly assist any student in locating and using library materials. Hours will be found posted on the door of the library building. Each year a handbook is published which gives detailed instructions concerning the use of the library resources. This handbook may be secured at the Charge Desk in the Reading Room of the University library.

SCHOLARSHIPS, AIDS, PRIZES AND AWARDS

Stetson offers a varied number of scholarships, aids, prizes and awards for worthy students. Every student should look into the possibilities of obtaining them. See the Catalog, as well as the copy of **Your Opportunity** available in the library.

STUDENTS DEPOSIT FUND

Student banking facilities are maintained at Stetson.

Under the plan, students will be permitted and encouraged to deposit their personal cash in the Business Office of the University. Withdrawals of cash will be made at the discretion of the student. The Business Office may require a reasonable notice of withdrawals of large sums at one time due to the minimum amount of cash to be kept in this office.

The University will keep this money in an account at the Barnett National Bank designated "Stetson University Students' Deposit Fund." This fund is for the exclusive use of students, and all transactions are handled only through the Business Office.

Regular banking procedure will be put into effect. A

pass book will be issued to each student having an account. **This book must be presented with each transaction.** A regular deposit blank will be used to deposit money and this will be recorded in the pass book to reflect not only the receipt but also the new balance to the credit of the student.

Checks will be used for withdrawals of money and they will not be negotiable or cashed at any place except the Business Office. In effect, they will resemble checks but actually be a receipt signed by the student that he received a certain sum of money from the Business Office which is to be charged to his personal deposit account. The pass book must be presented to make these withdrawals.

The University makes no charge for this service to the students.

RELIGIOUS LIFE

It is the purpose of Stetson University to realize in the curriculum and the classroom the implications of its motto, **For God and Truth.** Every endeavor is made to translate Christian principle into campus life and activity. Chapel services for all students are held regularly. Students are urged to attend Sunday School and church services. Vespers, planned and directed by students, are held several evenings a week. Religious organizations endeavor to increase the churchmanship of the student body. Allen Hall serves as the center of the campus religious activity program. The Director of Religious Activities coordinates the interests represented by the organized religious groups.

CHURCH ATTENDANCE

All students are urged to attend Sunday School and Church services on Sunday. The University cooperates to this end with all churches in DeLand. On Sunday work is suspended throughout the University, and the office buildings, the laboratories and the libraries are closed.

THE VESPER SERVICE

The Vesper Service is a non-denominational service held at 6:30 p.m. on Monday, Tuesday and Thursday evenings in Elizabeth Hall. The service seeks to strengthen the spiritual life of the student body.

Each student at Stetson University is subject to the rules and regulations of the University as printed in the Annual Catalogue and in the Student Handbook. Failure to acquaint oneself with these publications can result in serious consequences. Below are listed some of the regulations about which a student will be concerned frequently and a statement of the University's expectations concerning the students' conduct.

1. **Change of Registration.** If a student desires to add or drop a course after he has completed his registration, he must first secure the approval of the Dean of Women or Dean of Men and also his Faculty Ad-

viser's approval. Courses dropped after the first week of classes will automatically count as failures except in special cases.

2. All social events must be scheduled on the University Calendar which is kept in the office of the Dean of Women. Students who are responsible for events which need chaperons should consult this calendar and make necessary arrangements in the Dean of Women's office well in advance of the event.
3. **Withdrawal from University.** Official withdrawal from the University is granted by the Dean of the University. See page 26 of the Annual Catalogue.
4. **Academic Probation and Suspension.** Students whose cumulative academic averages drop below C will be placed on academic probation, which is continued until the C average is regained. If a student on probation fails to earn a C average in any semester, he is eligible to be dropped from the University. See page 25, Annual Catalogue.
5. **Class Attendance.** The method of instruction employed at Stetson requires regular attendance at classes. Two regulations govern absences: (1) A student missing classes to the detriment of his work will be warned by the instructor that further absences may result in a reduction of his grade; he will be reported to the Office of the Dean of the University. (2) Ten per cent of class meetings is regarded as a maximum of absences—for illness, emergencies, social activities, or whatever reason.
6. **Examinations, Inventories, Grades, Quality Points.** Inventory exams are given at the end of each six weeks period in most courses to see how the student

is progressing in his work. Examinations are given in all courses at the end of each semester. Grades and Quality Points in courses represent the instructor's final estimate of the student's performance and are based on all work done during the semester. A (three quality points per semester hour), B (two quality points per hour), C (one quality point per hour), and D (no quality points per hour) are passing grades for which the student will receive credit. F (minus one quality point per hour) is the failing grade for which no credit is given. The quality point ratio is obtained by dividing the total quality points by the total hours. See pages 24 and 25, Annual Catalogue.

7. **Physical Education.** Undergraduate students under thirty years of age are required to take physical education three hours per week for the first four semesters of their college work. See pages 27, 58, and 59, Annual Catalogue.
8. **Expenses.** A student should expect University expenses of approximately \$525 to \$550 per semester. See pages 27, 28, and 29, Annual Catalogue.
9. **Chapel Attendance.** As a church-related University, Stetson considers the regular worship service held each Wednesday and the Friday assembly to be an integral part of the total educational experience of each student. Both programs are designed for the purpose of drawing the student body and faculty into a unit through common worship and through the sharing of educational and aesthetic experience. Hence attendance at both programs is required of all students. The following regulations have been designed

to emphasize the important place held by the services in the estimation of the University.

- (1) Each student is allowed three absences in each semester which need not be accounted for.
- (2) The fourth, and subsequent, absences, unless excused by the Dean of Women or the Dean of Men, will be recorded on the student's permanent record. They will become a part of his file and will be referred to if his conduct or academic record is under consideration. They will be there for reference when, for example, prospective employers inquire concerning the student's total record at Stetson. They will be considered together with other evidence if the student should become eligible at any time to be dropped from the University.
- (3) Each absence in excess of three, unless excused by the Dean of Women or the Dean of Men, in any one semester will result in the deduction of one-half quality point.
- (4) If a student's unexcused absences exceed four in any one semester, appropriate disciplinary action will be taken. The procedure will follow that for any other serious infraction of University rules and may result in suspension from the University.

10. See Annual Catalogue for any other questions concerning General University rules and regulations.

Stetson University expects its students to conduct themselves as ladies and gentlemen. Such conduct is a part of essential character and cannot be legislated. However there are certain rules and regulations concerning

conduct on and off the campus which have been printed for the guidance of all concerned. These rules appear in this Student Handbook, and each student should familiarize himself with them.

Disciplinary matters, unless handled by the Men's Council, Women's Council, or the student Deans, will be referred to the Academic Council. The University does not single out any particular action for penalty. Each student should understand clearly, however, that any conduct on his part which results in bad publicity for the University or which is a reflection against the ideals of the institution will cause him to be called before the Academic Council. There he will give an account of his actions and be liable for suspension.

Because of the danger of fire, smoking is prohibited in University buildings. Women students are not permitted to smoke anywhere on the campus except in dormitory rooms.

Each student will see that his correct address is filed in the office of the Dean of Men or Dean of Women.

Firearms, firecrackers and explosives are prohibited.

The purchase, possession or use of alcoholic beverages is forbidden.

All students who have cars must register their license tag numbers in the office of the Dean of Men.

When a student is involved in serious difficulty—whether academic, financial, social or otherwise — the University will notify his parents or guardian.

A student who has been suspended for violation of conduct regulations will not be allowed to attend any University social functions during the term of his suspension.

A FEW THINGS ALL STUDENTS SHOULD KNOW ABOUT THE WOMEN'S DORMITORIES

1. Calling hours for men in the women's dormitories:

Sunday10:00 a.m. to 10:30 p.m.

Saturday12 Noon to 11:00 p.m.

Friday 1:00 p.m. to 11:00 p.m.

Other days 1:00 p.m. to 8:00 p.m.

(When calling for dates during hours not listed above, boys are asked to go to the desk and give the date's name and then wait on the porch.)

2. Girls are requested not to talk from the windows of the dormitories; their friends are urged to respect this regulation.

3. Telephones in the women's dormitories are limited (as they are in the men's dormitories)! We therefore request all students to refrain from lengthy or unnecessary telephone calls. Girls are not called to the telephone after closing hours except in cases of emergency.

4. The dormitories close promptly at 10:30 on week nights and at 11 o'clock on Friday and Saturday nights (except for those girls who have special late permissions). Boys should be aware of the hour at which their dates are to be in and cooperate accordingly. The porch lights are flashed five minutes before closing time as a warning.

5. Boys who date dormitory girls share the responsibility of adhering to the regulations.

HOUSING RULES FOR MEN

All unmarried freshman and sophomore men are required to live in the University dormitories unless they live at home with their parents or guardians.

No student may live in quarters that have not been approved by the Director of Men's Housing.

All approved housing units for unmarried men require the renter and landlord to be under the same roof.

Garage apartments, trailer camps, houses, motels, or auto courts cannot be used as rooming facilities for unmarried men.

Unmarried men will not be allowed to commute unless they live at home with parents or guardians and written permission for commuting has been filed by the parents or guardians in the office of the Dean of Men.

The University reserves the right to inspect any man's living quarters.

Cooking or otherwise preparing meals in dormitories is not permitted.

Changes of living quarters must be approved by the Director of Men's Housing, **before** they are made.

There are no washing machines in the dormitories. All men must make proper arrangements with the laundry representative in their dormitory or take their laundry downtown.

WOMEN'S STUDENT GOVERNMENT ASSOCIATION

The Women's Student Government Association welcomes all new women with a hope that each will find a genuine interest in its activities during her years at Stetson. Every resident woman is automatically a member of the Women's Student Government Association. It is an organization formed and controlled by the students themselves and aims at producing the best possible college life for all. It not only seeks the welfare of the group but also seeks the welfare of the individual. It calls on each girl for a standard of conduct that the students of the past and present have wished to maintain.

Its success in the past has depended wholly upon individual dignity, integrity and responsibility. The future

will be determined in like manner. Each girl is called upon for whole-hearted participation, realizing that through this participation she—as an individual—speaks and will—as an individual—contribute to the standards of Stetson University.

The resident women once a year elect an executive council which seeks to serve the students in every capacity.

Each dormitory has a house council which functions as a unit of the executive council.

Detailed information concerning dormitory regulations is published for dormitory women in the booklet entitled "A Student Guide to Good Living for Dormitory Women."

RUSH, PLEDGE AND INITIATION ACTIVITIES

PANHELLENIC

Panhellenic is an organization composed of three delegates from each sorority on the campus. There is close cooperation in Panhellenic on such matters as the maintenance of University and sorority standards, scholarship supervision, social affairs, etc. Rushing is also regulated and governed by the college Panhellenic. The main purpose of a college Panhellenic is to provide a medium through which sorority women may work together, may cooperate to unify the interests of women students.

Alpha Xi Delta—Omega Chapter was established at Stetson in 1917.

Delta Delta Delta—Alpha Delta Chapter was established in 1913. For several years previously it existed as a local.

Phi Mu—The Alpha Xi Chapter was established at Stetson in 1949.

Pi Beta Phi—Florida Alpha Chapter was established at Stetson in 1913, having existed as a local for several years previous to that time.

Zeta Tau Alpha—Beta Psi Chapter was established in 1934, after having existed for several years as a local

Alpha Dexioma*—The Alpha Chapter of Dexioma was established in May, 1940. The purpose of the organization is to promote democratic friendship and understanding among its members and to broaden the social, political, athletic and religious life of its members. All women in Stetson University who are not associated with a national social organization may become members.

*Alpha Dexioma is not a unit of the Panhellenic Association.

MEMBERSHIP

Approximately one-half of the Co-eds do not belong to sororities. For various reasons these girls either may be unable to join a sorority or may not wish to become affiliated with any such group. In any case, a girl is judged by what she is as a person and not by any organization to which she belongs.

1. **Sorority Chapters.**—A chapter is a group of college women who have elected to establish a close affiliation with one another for four years as college students and thereafter as college and sorority alumnae. The chapters are largely self-governing. They maintain high ideals in scholarship and in social customs.

2. **Rushing.**—Rushing gives girls who are interested in pledging to a sorority an opportunity to become acquainted with the sorority women on the campus and to know something of their organizations. During rushing each fraternity entertains rushees at a series of parties.

Alumnae members of each sorority send recommendations to their chapter for sisters, relatives or friends entering college who, they think, would be adaptable to these chapters. During rushing these recommended persons largely make up the group of rushees.

Informal rushing is carried on during the remainder of the college year during which time each sorority is permitted to invite rushees to the chapter room to be guests at parties, etc. This latter type of rushing is done to select new members from acquaintances made through campus contacts and new friendships as contrasted with contacts made through recommendations of alumnae and friends.

Careful thought should be exercised before a girl accepts a bid, for pledging means choosing friends for her entire active and alumnae sorority life. She should not plan to pledge to a sorority unless she intends ultimately to become a college graduate, nor should she accept the expense of membership (which is not exorbitant) until she thoroughly understands the amount involved and her ability to meet it.

All groups are worthy of membership and rushees are urged to make decisions independently and on the basis of congeniality.

It is beneath the standards of sorority women to speak disparagingly of any chapter or any sorority. A member of one organization who so forgets and criticizes any member of another group, or the group as a whole, will discredit herself in the eyes of all sorority women and rushees.

It is beneath the standards of sorority women to allow any illegal methods in rushing. A sorority member

may give information on the history, standards, finances, and program of her sorority.

Detailed information concerning rushing will be given in printed form to all girls who attend the first Panhellenic meeting and express their interest in receiving this material.

In order to be eligible for pledging a girl must be taking at least twelve hours of academic work and must have a "C" average from high school or from the preceding semester.

R.O.T.C.

The purpose of the ROTC is to provide, at college level, work that will qualify selected students as Reserve Officers in the United States Army. The course is designed to achieve this objective in a way which will parallel the student's preparation for a civilian career. It is particularly helpful to students entering business, teaching and legal fields. Many of the subjects taught will be of value, as consumer education, to all students.

Upon successful completion of the Advanced Course and upon the recommendation of the President of the University and the Professor of Military Science and Tactics, the student is commissioned by the President of the United States as a Second Lieutenant in the Officers Reserve Corps.

Deferment From Selective Service.

Within quota limitations, students selected for enrollment or continuance in the Senior Division ROTC (the Stetson Unit is so classified) may be deferred from induction under the Selective Service Act of 1948 until completion of the course, provided they remain in good standing in the ROTC and provided they sign a deferment agreement wherein they agree to serve on active duty with the Army as commissioned officers for not less than two years upon completion of the ROTC course, if called by the Secretary of the Army.

The purpose of Scabbard and Blade is primarily to raise the standard of military education in American colleges and universities, to unite and foster the essential qualities of good and efficient officers, and to promote friendship and good-fellowship among the cadet officers.

The Society was founded in 1904-1905 at the University of Wisconsin to develop and foster the ideals and practice of military education in the United States and particularly in the various colleges and universities in which military science and tactics was a part of the curriculum.

Review of 1952-53 Season

Football—The Hatters, 1952 Tangerine Bowl Champions, were capably directed by Jay Pattee, who was promoted to head coach, and Don Hardage who also formerly worked with Hatter elevens. Cravats instead of Hatters could well describe the 1952 team by virtue of three hard fought ties with Tampa, Florida State, and East Carolina. Playing probably the toughest schedule in Stetson's long history, the Hatters could not cope with the superior second half manpower of Florida, Miami, Parris Island Marines, and Mississippi Southern, but they ascended to brilliant heights to defeat by two touchdowns, Furman, a Southern Conference team, and to overwhelm Northeast Louisiana and Troy State.

B. J. Leathers, who was chosen honorable mention Little All-America for the third straight year, also garnered the most valuable player award. Willi Han and Herb Werner were chosen as outstanding backs of the week in Florida football. Leathers was honored as an outstanding lineman of the week.

Lettermen returning for the 1953 season include Marks, Colantuano, Reinke, Golde, Edgington, Daub, Boyer, Proctor, Hopkins, Odum, Park, Jochem, Appel, Hofford, George, and Knowles. Coach Pattee will be assisted this season by Joe Berry, successful Michigan High School Coach.

Basketball—Under new coach, Dick Morland, the Hi-Hatter posted a not too impressive 14 won and 10 lost

record as compared with 16-4 the previous season. But the Hi-Hatters were chosen the top team in the state in a poll of sports writers conducted by the Florida Times Union and won the District NAIA Championship which enabled them to go to Kansas City for the nationals where they were eliminated in the second round by the eventual tournament winner. The team ranked ninth in the country from over 500 small colleges in field goal percentage and thirty-fifth in team offense.

Highlights of the season included a Christmas trip up through Illinois and Wisconsin, the Kansas City tournament, and the first triumph over Miami in several seasons. John Imgrund, the team's most valuable player, was a unanimous choice for all-state honors. Jim Taveniere was selected for the second team while Jim Carlin and Jack Oksnee made honorable mention.

Lettermen returning for 1953-54 are Hansel, Imgrund, Yonge, Cassidy, Smith, Silvers, Garrett, Carlin, and Crumpton. David Foster is student manager.

Freshman Basketball—For the first season in several years, Stetson was represented by a freshman basketball team. Under Coach Don Eakin, the Baby Hatters won five and lost seven against fast competition composed of all the state's junior colleges and outstanding service teams. Players expected to move up to the varsity are Painter, Ericson, Blue, Hubert, and Best.

The team this year will be coached by Jack Oksnee, and all freshmen are invited to try out.

Baseball—Playing against teams of the caliber of Georgia Tech, Amherst, Cincinnati, and Presbyterian as well as the state nines, the Stetson diamond artists finished

the year with a 12-14 record. Outstanding performances included Imgrund's brilliant no-hitter against Miami, his two hit shutout against FSU, the heavy hitting of Fred Eubler, and the outstanding play of Stan Marks at short-stop. Letters were awarded to Bertzel, Gilliland, McDowell, Imgrund, Owens, Clonts, Marks, Hopkins, Eubler, Crumpton, and Mgr. Howell (all of whom will be returning this season). The baseball team was again under the astute guidance of Coaches "Doc" Johnson and Jim Forbes, the same combination that produced a 16-8 record the previous year.

Golf—In his sixth season as coach of the Hatter Linksmen, Coach Wes Berner again fielded an outstanding team. Finishing third in a strong field of ten teams in the Florida Intercollegiates, the golf team went on to defeat Western Illinois, Florida Southern, Rollins, Orlando Air Base and Jacksonville Navy while dropping seven intrastate contests. Award winners were Dick Johnson, who holds the Volusia County Men's Title as well as co-holder of the state two-ball championship, John Nichol, George Herndon, and Jim Bryan.

Tennis—After a two years layoff, tennis was revived on an informal basis this past season. A varsity team will be sponsored this year playing a full schedule against outstanding collegiate netmen. Players holding rankings on the tennis ladder last year were Norden, Decker, Durham, Ericson, Gibson, Kunkle, Purnell, and Shirley.

In 1950 Stetson's team of Grace Lenczyk and Marjorie were national intercollegiate women's champions. In 1951 and 1953 the women's team placed second. Last year Stetson was represented by Marjorie McNeely, Betty McKee, Sandy Shearouse, and Babs Blakely.

Students interested in trying out for this team should contact the director of physical education for women.

SPECIAL INTRAMURAL EVENTS

DRAMATICS

Rules

1. A scene or scenes from a longer play instead of a one-act play may be presented.
2. No play may require more than 55 minutes for presentation. All incidental music, etc. must be included within this time limit.
3. The number of persons in the cast is not limited.
4. Permission to use plays and payment of royalties must be handled by each manager directly with the publishers BEFORE the play is presented.
5. The order of presentation will be determined by lot.
6. Each cast will require not more than six minutes to set its stage and two minutes to clear. This rule may be waived at the discretion of the dramatic intramural leader.
7. No wall decorations of any kind, no screens used as backgrounds nor backdrops supported in any way may be used. This rule may be waived at the discretion of the dramatic intramural leader.
8. The regular intramural rules will govern all other problems.

9. Absolutely no persons other than those who belong to the intramural group will be allowed to participate in any way connected with the production of the play.

10. Theta Alpha Phi members are excluded, but will be allowed to direct the production if the managers call them.

11. Types of plays to be presented will be comedy, farce and melodrama.

Plan of Contest

The leader of intramural dramatics will give each group a statement as to locations of doors and windows, a cyclorama and an exterior set, if possible. He will co-operate in every way with coaches and casts, but the latter must take entire responsibility for securing properties. Since neither settings nor properties will be equally suitable for all plays presented, it is obvious that judges will NOT judge the stage sets but the play presentations themselves.

Each cast is responsible for setting its own stage and for removing its properties immediately at the close of the play so that the cast presenting the next play may set its stage properly.

All plays will be presented on the one night, and the announcement of the winners will be made after the last play is over.

INTRAMURAL DEBATE RULES

1. Florida Beta chapter of Pi Kappa Delta will select and publish the topic for debate.

2. All independent and fraternal organizations may enter.

3. Any student who has not engaged in intercollegiate debating at Stetson University or at any other college or university is eligible to participate.

6. Each entry may have both an affirmative and a negative team, but if only one team is entered, that team must be prepared to debate both affirmative and negative.

7. The constructive speeches will be six minutes, and the rebuttals will be three minutes.

8. One faculty member will act as judge for each preliminary debate; there will be three judges for the finals.

9. The debaters will be judged on the basis of delivery, content and logic, and ability to hold interest.

INTERFRATERNITY SING

The purpose of the Interfraternity Sing is to develop an interest in singing through competitive participation among the undergraduates of Stetson University. The contest is open to all Greek letter fraternities or sororities on campus.

Each participating group will sing one fraternity song (or medley) of its own choosing, the arrangement of which must be in at least three-part harmony. The director will be a member of the group.

The program will be judged on the following points: (1) Musicianship and Interpretation; (2) Tone; (3) Intonation; (4) Diction; (5) Blend; (6) Balance; (7) Ar-

rangement and its Adaptability to the group; (8) Presentation.

The contest is usually held during the first week in May and is judged in two divisions, one for women and one for men. The winner in each division is presented a trophy, and three wins retires this trophy.

STETSON SONGS

ALMA MATER

Dear Alma Mater, smile upon thy children!
Gladly we gree thee, altogether lovely;
Peace be within thy classic halls and temples,
Hail, Alma Mater dear.
Hail to the heroes who have gone before us,
Young men and maidens, filled with true devotion!
Bright is their glory, fadeless and undying,
Hail to our heroes gone!
Hail to our classmates, bound by ties ne'er broken;
Here once again we pledge our vows of friendship;
Brave hearts and true hearts sound aloud the chorus:
Long live our comrades dear!
Dear Alma Mater, tenderly thy children
Gather, and bring to thee gracious salutations;
Comrades, your voices life once again in chorus,
Hail Alma Mater dear!

GO, HATTERS, GO (Feasel)

Hatters, you will win the game; Listen to our cheer
(Go, Hatters)
Shout the glory of your name; Spread it far and near
(Yea, Hatters)
Alma Mater, praise to thee and our teammates true;
(Go, Hatters)

Marching on to victory. Let's Go, Hatters, Go!

WE ARE THE GUYS FROM STETSON U. (arr. Giffin)

We are the guys from Stetson U. you hear so much about.
The other schools all envy us whenever we go out,
SO, fill your lungs and sing it out and shout it to the
skies,

The Green and White forever, we'll be loyal 'til we die.
As we go marching and the band begins to play,

Rah! Rah! Rah!

You'll hear us shouting: Stetson U. will win the day.

Fight!

STETSON HATTERS (Newlin)

Here comes our team in green and white.

They're out for victory here tonight.

See them **fight, fight, fight,**

See them stand for the right,

Now watch them as they go,

Now sing it: S-T-E-T-S-O-N, Stetson **Hatters**, Hatters
S-T-E-T-S-O-N, Stetson **Hatters**, Hatters,

Guard that line, now see us shine,

For we're the guys from Stetson U.

For it is: S-T-E-T-S-O-N, Stetson **Hatters**, Hatters
S-T-E-T-S-O-N, Stetson **Hatters**, Hatters,

Guard that line, now see us shine,

For we're the guys from Stetson U.

SCHOOL SONG (Smith-Chapman)

Dear Alma Mater,

We love your spirit,

We love your valor true and fine.

Your colors waving in all the glories

Of the honors won through time.

Our school we cherish, with all its glory;

We love its victories

And Hatters all will fight

For dear old Stetson U.
